Labour Problems in the North-Eastern States

2391. SHRI W. ANGOU SINGH: Will the Minister of LABOUR be pleased to state:

(a) whether Government have made a survey regarding the labour problems in the North-Eastern States; and

(b) the measures to be taken up for solving the problems of labourers of this region?

THE MINISTER OF LABOUR (DR. SATYANARAYAN JATIYA): (a) and (b) No specific survey of the labour problems exclusively for North-Eastern States has been carried out. However, surveys on different aspects of labour problems are carried out in different States from time to time depending on the need. For instance, survey on identification of Bonded Labour was carried out and 3500 Bonded Labourers were identified in Arunachal Pradesh. They have been advised to prepare rehabilitation package for the rehabilitation of these bonded labourers. Surveys have been conducted by the Employees' Provident Fund Organisation from time to time for bringing more and more labour oriented establishments under the ambit of the Employees' Provident Funds and Miscellaneous Provision Act, 1952 and 11 thousand workers engaged in the Brick Industry have been brought under the purview of the Act in the State of Tripura besides extending the Act to other categories of establishments in the North-Eastern Region.

The number of Children identified in North-Eastern region during the course of survey as per the directions of Supreme Court in their judgment dated 10.12.1996 in W.P. No. 465/86 M.C. Mehta-Vs-State of Tamil Nadu & Ors. is as under:—

	Hazardous Occupations	Non-Hazardous Occupations	Total
Arunachal Pradesh	24	1095	1119
Assam	92	9712	9804
Manipur	0	589	589
Meghalaya	246	3636	3882
Tripura	11	264	275

The position of surveys undertaken under the Employees' State Insurance Scheme is given below:—

Nagaland

According to survey conducted in Nagaland about 50 factories employing 3 000 workers are located in Dimapur area of Nagaland. The Govt. of Nagaland has been requested to take necessary steps for implementing the scheme in the State. Necessary guidelines have already been provided to the State Govt.

Mizoram

A survey of the State indicated that about 1300 workers are coverable in Aizwal are of Mizoram. The State Govt. has therefore been requested to make necessary arrangements for providing medical care to the workers and their families so that the scheme could be implemented in the State.

Tripura

A survey of the State indicated the 1,000 workers are coverable in Agartala area. The State Govt. has been requested to examine the matter regarding implementation of the Scheme in the State.
